THIRD INFORMATION DISCLOSURE STATEMENT

S I R :

Submitted herewith are the following:

- (1) Copy of first page of an Examination Report from  
the European Patent Office in a European  
application corresponding to the present  
application;
- (2) Form PTO/SB/08A. It is requested that an  
initialed copy of the form PTO/SB/08A be returned  
to indicate that the publications listed therein  
have been considered and made of record.

It is noted that EP-A-0780 406 and EP-A-0245557 were cited in an earlier INFORMATION DISCLOSURE STATEMENT and copies were provided at that time. Also, USP 6,255,042 is a family member of EP 1 103 859.

U.S. patent documents identified on said form PTO/SB/08A are not enclosed herewith since the USPTO waived the requirement to file copies of U.S. patents and U.S. patent application publications.

A first action on the merits has not yet been received in this application. Therefore, no fee is required. However, if it is determined that a fee is required, authorization is given to charge any additional fees to Deposit Account No. 06-1378.

It is therefore respectfully requested that the attached publications be considered and made "of record".
